Program Outline
&
Participation Requirements
of
The Program on Design Management
[PDM]

1 – 14 November 2018

1. BACKGROUND OF THE PROGRAM:

The Association for Overseas Technical Cooperation and Sustainable Partnerships (AOTS) is an organization for human resources development mainly in overseas countries to promote technical cooperation through training, experts dispatch and other programs. Through those programs, we aim at contributing to the mutual economic growth of developing countries and Japan as well as enhancing friendly relations among those countries.

AOTS was established in 1959 with the support of the Ministry of International Trade and Industry (which is the present Ministry of Economy, Trade and Industry: METI) as Japan's first technical cooperation organization on a private sector basis. More than 186,000 individuals from 171 countries have undergone our training in Japan, while the cumulative attendance at our overseas programs till the end of fiscal 2016 exceeded 199,000.

The Program on Design Management (PDM) is designed as one of courses for all the developing countries to learn business management/administration techniques and their underlying ways of thinking, all of which are characteristics of Japanese companies. It also aims to provide an opportunity for executives, senior managers, and designers to upgrade their capabilities in design management so that they can utilize "design" as the key factor for their corporate competitive strategies.

2. COUNTRY:

Please refer to the List of Target Countries and Regions.

(<http://www.aots.jp/jp/ikusei/files/taishokoku.pdf>)

NOTE: The general-purposed web page enlists China, which is not a target country of this program.

3. NUMBER OF PARTICIPANTS:

20 participants

4. PARTICIPATION REQUIREMENTS:

Participants should have the following qualifications.

(1) Participants should be, in principle, managers or designers involved in design management (the term "designer" refers to the individuals in types of work related to the design of consumer products. This program is targeted at those involved in product design and graphic design, so participation by parts designers, machinery design technicians, those involved in design related to construction, and designers in the garment or textile industries are not permitted). Owners and/or executives who are responsible for design development in small and medium sized enterprises are also eligible for participation.

In addition, experts involved in design development and lecturers at educational institutions, such as universities, who are expected to play a role as a motive force in the dissemination of design management, may participate.

(2) Participants should be, in principle, between 20 and 60 years of age.

(3) Participants should be university graduates and/or have equivalent professional experience.

(4) Participants should have a sufficient working knowledge (e.g. skills of audit, discussion, debate, presentation and report writing) of English.

(5) Participants should be healthy enough to undergo an intensive training program in Japan.

(6) Participants should be residing in the developing countries and/or regions.

(7) Participants should not be students or armed forces personnel.

(8) Former participants of AOTS training programs (ODA-funded and CRTP programs) organized in Japan are not entitled to apply for any program which starts within six months (183 days) after they have returned home from Japan.

Notes:

(1) Participants shall attend all the events in the curriculum provided for each management training program.

(2) Family members are not allowed to accompany participants on their journey in Japan.

(3) Participants shall not request AOTS to arrange, nor arrange by themselves, any additional programs, and shall leave Japan and return to their home country soon after the completion of the program.

- (4) In the case of applications from other than Japanese-affiliated companies or local companies that hold local capital, the priority for selection becomes lower.
- (5) Those who work in the national government (agency) or the local government (agency) are not eligible to participate in the AOTS management training programs, since the programs are mainly targeted at the people working in the companies/organizations in the private sector.
- (6) The number of participants from the same host company in Japan or the same sending company from overseas may be limited if there are more applicants than AOTS can accept.

5. APPLICATION PROCEDURE:

The application procedures differ depending on whether an overseas company makes the application directly or a Japanese host company in Japan makes the application. Please see below for details.

5-1) Application from overseas countries

Individual applicants should ensure the delivery of the following application documents to the Management Training Administration Group of AOTS listed in Item 10, **no later than 30 August 2018.**

[Application Documents]

- (1) AOTS Training Application Form and Applicant's Personal Record
(AOTS official form: Handwriting shall be avoided.)
- (2) Medical Check Sheet (AOTS official form: Handwriting shall be avoided.)
- (3) 2 copies of the applicant's photo (4 cm×3 cm) (Please write the applicant's name on the back.)
- (4) A brochure of the applicant's company/organization
- (5) Photocopy of the applicant's passport
*If the applicant doesn't possess a passport, an election card, a driver's license or a photo ID issued by a public organization in the home country containing his or her full name (written in Roman block letter) and date of birth should be submitted instead.
- (6) Pre-Training Report and Readiness Test
- (7) Overseas Travel Insurance Consent Form
- (8) About the handling of Personal Information Concerning Trainees (AOTS official form)
*The applicant's signature is needed for authorization to proceed. In the absence of agreement, or failure of submission, course participation will not be granted.
- (9) About the Benefits of Management Training Program (AOTS official form)
*In principle, a representative of the applicant's employer shall fill in the questionnaires.
*The form is attached to the end of the outline.
- (10) Enquiry into Training Contract (For Japanese Joint-Venture-Companies and Companies exclusively funded by Japanese Enterprises)

Notes:

- *A soft copy of the application documents will not be accepted.
- *AOTS may ask the applicants to submit additional documents such as official registration document and the latest financial statement of the company/organization etc. other than above listed, if necessary.

The formats are readily downloadable at our website.

<http://www.aots.jp/en/ikusei/application.html>

5-2) Application from host companies in Japan

Please refer to below website (Japanese).

<http://www.aots.jp/jp/ikusei/management/proc01.html>)

Host companies should ensure the delivery of application documents to the Training Administration Group of AOTS, the address of which appears in Item 10, **no later than 30 August 2018.**

[Screening Committee Meeting]

The application documents will be forwarded to the AOTS Screening Committee, which will meet on **4 October 2018**, for official approval of participation. Those who have successfully passed the screening process will be notified when they receive the invitation documents.

Notes: If the number of participants is less than 10 as of 30 August 2018, AOTS may postpone or cancel this program.

6. OUTLINE OF THE PROGRAM:

- OBJECTIVES

The main objective of this program is to enable participants to strategically utilize design as a management resource by improving their capabilities of design management.

*In corporate management today, the crucial elements are not only such conventional ones as product performance, quality and price; the creation of various added value through design, such as product design, package design, the design of the sales area, advertising and promotion activities and brand creation are also becoming very important. Design management is a management technique focused on how efficiently and effectively such design work and design activities can be undertaken in corporate management.

- KEY BENEFITS

By the end of this program, participants will be able to deepen their understanding on:

- (1) the importance of design management in corporate management and business strategy;
- (2) the organizational structure and functions of strategically utilizing design;
- (3) the importance of brand building and communication design that reflect a company's vision and business strategy;
- (4) design concepts such as user-centered design, universal design, and sustainable design; and
- (5) the creative design processes practiced in Japan

- DURATION

1 – 14 November 2018 (2 weeks)

- CONTENTS

- (1) Strategic use of design and design management
Participants will deepen their understanding regarding the design management concept that focuses on design as an important resource and competitive edge of business. They are also expected to understand the framework of organizational operation and the role of the top management for successful design management.
- (2) Design concepts
Participants will learn the ideas, methods, and processes of various user/society-conscious product design concepts such as user-centered design, universal design, and sustainable design.
- (3) Design process
Participants will not only understand the design process in a series of design works but also learn how to go through the process with hands-on experience through various exercises.
- (4) Good design management companies in Japan
Participants will be able to know the current state and future direction of product designing in Japan through the introduction to the case examples of good design/brand strategy of Japanese companies.
- (5) Wrap up discussion
On the final day of the program, participants will make presentations by group on what they learned through the program and will exchange views with other participants and the program director.

A typical daily schedule consists of a 3-hour morning session and a 3-hour afternoon session. Some evening sessions may also be organized after dinner.
Refer to the Tentative Schedule for further details.

- LANGUAGE

All lectures, discussions, and company visits will be conducted in English or Japanese with translation into English. In principle, the program documents and training materials will be prepared in English.

- PROGRAM DIRECTOR

Mr. Hiromi Inokuchi
Professor, Department of Design Informatics
Musashino Art University

Prof. Inokuchi is one of the most prominent experts in the strategic design management and is actively engaged in research and teaching activities. After working 18 years at the Japan Institute of Design Promotion, worked at Iid, Inc., a design think tank founded by Nissan, and he joined Musashino Art University as a professor to teach at the Department of Design Informatics.

7. ARRIVAL AND DEPARTURE DATES:

Participants in principle are requested to arrive in Japan the day before the commencement of the training program and leave Japan the day after the final day of the program.

8. TRAINING COSTS (Application from overseas countries):

The training costs and the procedures for the settlement differ depending on whether an overseas company makes the application directly or a Japanese host company in Japan makes the application. The following is an explanation of the case of application directly from an overseas country. In the case of application from a Japanese host company in Japan, please contact the ‘Training Administration Group’ listed in 10. FURTHER INFORMATION.

8-1) Outline

AOTS training programs are financed by Official Development Assistance (ODA) subsidies from the Japanese Ministry of Economy, Trade and Industry (METI) together with the Participation Fee from the participants themselves.

The Training Costs will vary in accordance with the actual airfare and participants’ staying days. Therefore, the Participation Fee will be finalized after their arrival in Japan by submitting the actual air ticket and the receipt. The international Travel Expenses have an upper limit called Standard Airfare Limits, which depend on the country and the region as shown in Table 2.

The Estimates of the Participation Fee for the countries of Category 1* and for the countries in Category 2* are shown in Tables 1-1 and 1-2. Please refer to Table 3 “List of Target Countries and Regions” for the classification of category 1 and category 2.

Participants will be requested to pay the Participation Fee in Japanese Yen in cash to AOTS after their arrival in Japan.

*Please note that the subsidy from the Japanese government will be applicable from the day before the commencement of the training program to the final day of the training program in principle.

8-2) Breakdown

The Training Costs are the total amount of expenses to invite a participant to a training program in Japan. It is the sum of 1. Allowance Costs, 2. Course Implementation Costs, and 3. Domestic Travel Allowance. The Participation Fee, the amount that participants should bear, consists of Contribution to Allowance Costs and Contribution to Course Implementation Costs.

1. Allowance Cost

Allowance cost is composed of the following items.

The Contribution to Allowance Costs for the participants from the countries in Category 1 is 1/3 of the Allowance Costs. Participants from the countries in Category 2 do not have to pay the Contribution to Allowance Costs.

(1) International Travel Expenses

- The subsidy from the Japanese government will cover the actual airfare up to the Standard Airfare Limits (the AOTS’s Standard Airfare Limits for FY2017 is shown in Table 2.). International travel expenses are provided if an air ticket and its receipt satisfy the required conditions; they are not provided if the conditions are not satisfied or the participant is travelling on a free ticket.

- Participants should purchase their own round-trip air tickets. Please refer to “Guidelines for Purchase of Air Tickets by the Participant” for the arrangement and the method of reimbursement for details.
- A participant is not allowed to overstay at city(ies) of a third country between participant home country and Japan for any reasons other than flight convenience. In such a case, AOTS might not reimburse the International Travel Expenses to the participant.

(2) Accommodation and Meal Allowance

At the AOTS Kenshu Center

- During the training period, participants will be accommodated at an AOTS Kenshu Center. AOTS will provide a participant with accommodation in a single room to the value of ¥8,850 per day with meals (lunch, dinner and breakfast), while the participant stays at an AOTS Kenshu Center.
- For the arrival day, AOTS will provide a participant with accommodation to the value of ¥8,030 per day with dinner and breakfast at an AOTS Kenshu Center.
- Please note that AOTS Kenshu Center canteens are closed on Sundays. The participant will receive ¥2,570 in cash per day for meals to cover the day of closure.

During the study tour

- When a study tour is implemented during the training program, a participant will be provided with accommodation to the value of ¥10,080 (the upper limit) per day, but the meal allowance (¥2,570 per day) will be paid in cash by AOTS.

(3) Personal Allowance

- AOTS will pay ¥1,020 per day in cash to a participant.

2. Course Implementation Costs

Course Implementation Costs, which is the cost to carry out a 2-week AOTS Management Training Program, is ¥393,000 and the Contribution to Course Implementation Costs (the amount participants should bear) is ¥148,000.

3. Domestic Travel Allowance

- Expenses for a part of transportation fee between international airport in Japan and AOTS Kenshu Center
- AOTS will pay ¥5,260 in cash to a participant for the cost of travel between Narita International Airport (Tokyo) and AOTS Tokyo Kenshu Center (TKC).

Contribution to AOTS’s Administration Cost

AOTS would like to ask the participants to support us by giving us ¥30,000 per participant as Contribution to AOTS’s Administration Cost.

This contribution is not obligatory, however, it would be highly appreciated if you could understand the purpose of the contribution and give us the above amount *of money in addition* to the Participation Fee.

Guidelines for Purchase of Air Tickets by the Participant
And method of reimbursement by AOTS

1. Arrival and Departure Dates:

Arriving in Japan on the day before the commencement of the program and departing on the day after the closing day of the program or the nearest days to be allowed by the flight schedule within two days before and/or after the program.

2. Method of Reimbursement:

During the training program in Japan, participants should present to AOTS their air tickets and submit official receipts of air ticket purchase for reimbursement. The sum of the following items (1) and (2) will be subsidized.

In principle, an economy class air ticket purchased for a round-trip on the standard route according to the criteria of the International Air Transport Association (IATA) is defined as the standard airfare to be covered.

- (1) Actual round-trip airfare within the Standard Airfare Limits (the limits of AOTS's standard round-trip airfare amount) specified for the respective area (country).
- (2) The departure tax, airport tax and other taxes indispensable to the usual flight route defined by IATA subject to the submission of evidence.

[NOTE] A participant is not allowed to overstay at city(ies) of a third country between participant's home country and Japan by any reasons other than flight convenience. In such case, AOTS might not reimburse the International Travel Expenses to the participant.

3. Official Receipts:

AOTS will confirm the air ticket and official receipt and calculate the actual yen value of the air ticket with the exchange rate on the date of the ticket's issue.

- (1) AOTS can only accept the official receipts duly issued by the issuer in which a breakdown of the total airfare is explicitly described, such as airfare, tax (the departure tax, airport tax and other taxes indispensable to the usual flight route defined by IATA) and commission. It should also contain the name of the issuer's representative, address, telephone number and facsimile number.
- (2) Neither Invoice nor Calculation Sheet will be accepted as the receipt. However, an Invoice/Calculation Sheet using the letter-head of the air ticket issuer stating the word "Received" or "Paid" and including the signature of the air ticket issuer may be accepted.

*** If any participant fails to submit the official receipt duly issued by the relevant airline company or travel agent, the participant will not receive any subsidy towards his/her airfare and will be required to pay the full amount of the Participation Fee in cash to AOTS.**

Visa Acquisition Procedures:

1. **Status of Residence:**

The status required for your training in Japan is "Trainee."

2. **Visa Acquisition:**

A participant shall apply for and obtain a "Trainee" visa at a Japanese embassy or general consulate (hereinafter: diplomatic mission) with materials issued by AOTS such as a Guarantee Letter. It may be the case that the submitted materials are forwarded to the Consular Affairs Bureau (Tokyo) for checking.

3. **Notes:**

A bearer of a visa other than "Trainee" visa, e.g., a "temporary visitor" visa, a "multiple" visa, or an APEC business travel card (ABTC), or a citizen from a country/area participating in a visa waiver program with Japan must confirm with the local Japanese diplomatic mission prior to visa application if the existing visa is in accordance with the qualification of stay in Japan for the AOTS management training program.

9. HANDLING OF PERSONALLY IDENTIFIABLE INFORMATION:

AOTS handles personally identifiable information we have obtained from the applicant as follows:

- (1) Administrator of Personally Identifiable Information: General Manager, General Affairs & Planning Department,
