

April 2017 newsletter

Hi everyone, we are sure you have all had a wonderful fiscal year. As always here is all that is happening in AAAWI.

- 1) We had an ECM on 10th March 2017.
- 2) We had an OBM on 22nd March 2017.
- 3) We also had the all important meeting of Rules and Regulation committee on 22nd March 2017, the work will now go on in all earnest.
- 4) The next meeting of Rules and Regulation will meet on 13th April 2017. We hope to send the draft of suggested Rules & Regulations in the next few months.
- 5) We hope all those who were interested in SHOP & EPPM have applied. We wish them best luck.
- 6) HIDA has announced a new training program of Production Management Training Program (PMPT), please see details on the website.
- 7) The WNF program for the year 2017-18 has been announced, to invite applications from AOTS societies, we look forward for the success of this program too.
- 8) AAAWI is in touch with Japanese Consulate with a request to let us have a greater role in facilitating interactions with Japanese and Indian businesses.
- 9) We are happy to inform you that MECO, Godrej and IDEMI have been accepted for WNF.
- 10) With all the funds from HIDA coming on time the year has ended on a very positive note. The accounts will be ready in May end.
- 11) Please note that AGM this year will also elect new executive committee, so watch the space for dates.
