

From the President's Desk,

Dear Members,

We are delighted to announce, "Mr. YOSHIDA Yasuhiko succeeded Mr. KUWAYAMA Shinya as the President of AOTS as of 18 June 2024." He served the government, economic wing and METI Secretariat also, in multiple capacities. AAWWI praises him for his diversified knowledge and experience, and envisages its sound progress as well. AAWWI thirsts for the earliest moment of interaction with him.

AAAWI's EC-team is working hard on its new initiatives to realize the organizational success. AAWWI-announced programs are progressively advancing. The third Industrial visit happened in the series of 'Japan Study Tour'. The 25 Engineering College retired-professors enjoyed their training in AOTS, Japan, and expressed their delightful insights of TKC-care and AAWWI-support. We are likely to cover college students, in order to widen their wisdom through international interaction with Japan environment, culture and industries.

We are also working with various technical institutes and Engineering Colleges, and corporate institutions like IGBC (Indian Green Building Council, a part of the Confederation of Indian Industry-CII) and MCMCR, an initiative by BRIHANMUMBAI Municipal Corporation). The MoUs signed with industrial societies and academic institutions, aim to promote Japanese language and Quality Principals and Practices.

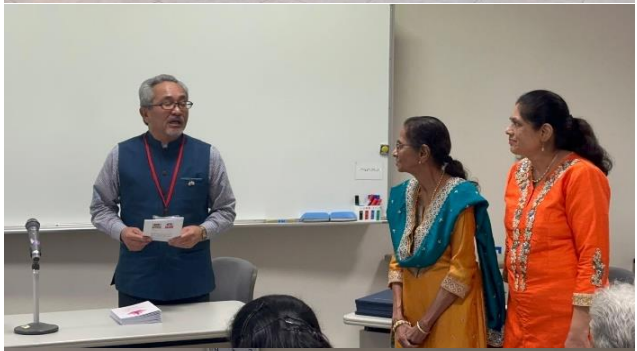

Having high hopes of your firm support, in sustaining our organizational objectives.

With best regards,
Pravin Purav

Engineering College Teacher's Japan Tour:

AAAWI successfully organized 12-days Japan Study cum sight-seeing tour for 30 retired teachers of Bhagubhai Polytechnic College, Mumbai. Being Mr. Pravin Purav, President and Mr. Sunil Kangane, Vice-President, alumni of this institution, AAWWI inspired them to realize Japan. The President organized and executed this tour. The tour covered their training at TKC and sightseeing of some famous locations in Japan. All senior citizens relished their trip. Their pic illustrates their current learning desire, enthusiasm and passion.

Mumbai-Nagasaki Students-Exchange Program: In collaboration with Nagasaki University, AAAMI, Mumbai is working under students-exchange initiative. It will help students of India and Japan, in understanding education, culture, social and technical systems and lifestyles in the respective countries. Two on-line meetings happened so far. AAAMI enrolled ten Indian students of various ages and regions to converse with Japanese students assembled at Nagasaki. A lot of discussions happened while exchanging their views on education system, entertainment, food and places of respective countries.

Internship Program:

Receiving Japanese Intern, Ms. Kanako Furukawa, at Mumbai, President went to Bangalore to drop her for her onemonth internship in IT. When she came back to Mumbai, Secretary accompanied her to Dahanu Thermal Power Station. While being with AAWWI in Mumbai, she visited to the factory of Camlin, located at Boisar. In the remaining training period, she joined other IT company in Bangalore.
