

From the President's Desk,

Dear Members,

Heartily extending my gratitude to all members and associates, especially at year-end, I greet on your year-long uninterrupted support extended to AAWI.

Wish you and family, a sweet, satisfying, winning, peaceful, prosperous, and flowery **Happy New Year 2025!**

Pravin Purav

JLPT Course: On 18th October 2024 and in the benefit of Post-Graduation students, AAWI started a Japanese language course at St. John College, Palghar. It is scheduled for 2 hours, on Thursday and Friday each week.

Mr. Pravin Purav – AAWI's President, visits regularly to review the progress of the Japanese language class.

FAAAI AGM: AAWI's President and Secretary attended FAAAI AGM held at Chennai. Next FAAAI AGM is resolved unanimously, to be held in October/November, 2025 at Mumbai.

Promoting a Japanese Product:

Mr. Hirohame Yasuhi, Chairman, ICOSA, Japan has sent a small, but unique product highly effective in capping cans containing oil and other liquids. Some members are so enchanted that they started its promotion and marketing among related companies in India.

Meeting with AAWI & Streekaya:

AAAWI had a meeting with Streekaya organization who helps to place skilled and non-skilled workers in foreign work force. Streekaya has been exploring possibility of placing some of these workers in Japan. They requested AAWI to help them with teaching of Japanese language to these candidates, along with certification of the course. This is work in progress.

Cultural Event for Japanese nationals:

AAAWI President Mr. Pravin Purav organized a Cultural event with four Osaka-based Japanese nationals and members of a Laughter Club, Mumbai. Our eminent WNF speaker, Mr. Rajesh Toshniwal was accompanying these guests visiting Mumbai.

Visit to Alumni Societies:

President, AAWI visited AOTS Alumni Societies of Kochi and Trivandrum, in the capacity of Secretary, FAAAI, to study and suggest out of box initiatives suitable for these societies, in order to cope with depleting subsidy and enhance additional revenue.

AOTS Program Experiences: Mr. Vilas Bhosale, AAWI's trainee joining TKC for PPTP- 2024

With 27 participants from 15 countries, he witnessed it as an excellent platform for learning and networking as well. Besides covering Projects in detail, with latest trends in Hydrogen, carbon and renewable resources, we came across futuristic business for sustainable society also. Concepts on agile and conventional project management were made crystal clear through various group discussions. Visits enhanced our learning.
